

Looking for a nifty way to keep your desk organized? Create a timeless masterpiece featuring some of the Canadiens jerseys worn over the years. Then use it to store your pencils and pens or other desk items.

### Instructions:

1. First cover the sides and bottom of the Kleenex box with construction paper.
2. Cut out the Canadiens jersey images and glue them to your Kleenex box.
3. Using your markers, add your name and other designs to your storage box. You can even cut pictures of your favorite Canadiens players out of the newspaper and glue them on.

### Materials:
