Craft Project

Daring Dragon

Dragons are a symbol of China's culture, and they are believed to bring good luck and prosperity to people. The dragon dance is often performed during Chinese New Year and at other celebrations throughout the year.

- Colour the images then cut them out.
- Cut a piece of construction paper in half lengthwise and fold it "accordion style". Then glue each end to the head and tail of the dragon.
- You can glue popsicle sticks to the head and tail to make a dragon puppet!
