

Mini Hockey Sticks

What you will need:

- 3 Popsicle sticks
- scissors
- Glue gun
- markers

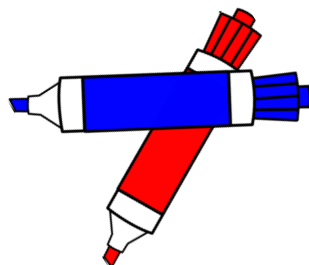

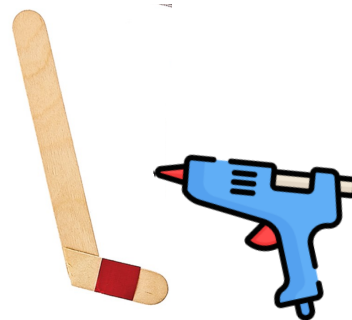

Directions:

You may need to ask a grown-up for some help with the cutting and gluing.

1. Cut the bottom quarter of a Popsicle stick at an angle.

2. Glue the angled Popsicle stick piece to one end of the full-length Popsicle stick.

3. Using red and blue markers, color strips to make it look like hockey tape. Then cut out a Rocket logo below and glue it onto your stick.

Once your hockey sticks are done, you can use them with the tabletop hockey rink craft!
