A-Maze-ing Fun!

C Y O K E H

How many words of 3 letters or more can you find using the letters in the puzzle? Words are formed from adjoining letters. Letters must join in the proper sequence to spell a word and may join horizontally, vertically, or diagonally, to the left, right, or up-and-down. No letter square, however, may be used more than once within a single word. You may use plurals if available. Score 1 point for each 3 letter word, 2 points for 4 letter words, 3 points for 5 letter words.
